Who We Are:

At Alma, we love what we do! We are a team of entrepreneurs and educators. Each team member represents a critical piece in determining the success of our company. As individuals, we take ownership over our roles and responsibilities and drive them until they are done well. As a team, our solutions have both an educational & societal impact and we take that very seriously. Accordingly, we operate with a tremendous amount of mutual respect and accountability. We are nimble, fast-paced, evolving, and determined to make a difference. Our rapid market expansion is an intentional byproduct of this approach.

What We Do:

Students always come first. Period. We are here to improve the education of students. Our focus is on the whole student - we build tools that ultimately help enrich both their intellectual and emotional growth. We do this by empowering the greatest learning resource at schools: educators.

Alma is a modern approach to student information and learning management that supports K-12 administrators, teachers, parents, and students. We are a passionately-driven team with the mission to provide this resource to every school, regardless of their financial constraints.
